

EBEEC 2023 Special Interest Working Group Kick-Off on

Corporate governance, CSR and ESG

An EBEEC Special Interest Working Group on Corporate governance (CG), CSR and ESG is an intense collaboration between multiple researchers from different academic fields and a balanced geographical representation to produce targeted, high-value work on the specific scientific area(s).

In recent years, much research has been published about corporate governance. Corporate governance has its roots in various disciplines, including economics, finance, accounting, law, sociology, and management.

Objectives

We encourage contributions from a variety of theoretical lenses, research methods, and studies analysing corporate governance in diverse types of firms and institutional contexts across different countries and contexts. Consistent with the above context, we invite manuscripts on topics which include, but are not limited to, the following:

- Theoretical approaches to corporate governance
- The relationship between institutional contexts and BoDs
- The role of institutional investors in Corporate governance
- Recent corporate governance reforms and regulations.
- Corporate Social Responsibility (CSR) and Environmental, Social and Governance (ESG) performance.
- Corporate governance (CG) disclosures, reporting and corporate governance mechanisms
- Board configuration with specific focus on gender diversity, the role of committees, tenure and the profile of executives
- Corporate governance and firm outcomes (financial and non-financial).
- Auditing, Auditors, Audit firms and CG

Publication opportunities

- EBEEC Conference proceedings once a year
- Springer and KnowledgeE publication opportunities based on EBEEC
- Special issues on scientific journals
